

Follow the map to see what happened.

Everything was great.

Something went wrong.

I had to choose A or B.

I chose A.

I chose B.

I chose A when I asked for a break, or asked for help, or used my relaxation schedule.

I chose B when I

I may have

I don't have

I chose A, so I am happy.

I chose B, so I am not happy.

Choosing A made me happy. Now everyone is happy.

Next time I will try to choose A.
